Exclusion of Liability and Release

By using this network you acknowledge and agree that your access of, and use of this network is at your own risk and that the ministry, its officers, directors, employees, or any of the parties involved in creating, producing, or delivering this network ("centre parties") shall not be liable for any damages whatsoever, to the extent permitted by applicable law, including any direct, third party, incidental, consequential, indirect, punitive, exemplary or special damages, or any other losses, costs or expenses of any kind (including legal fees, expert fees, or other disbursements) which may arise, directly or indirectly, regardless of whether or not such liability or damages arise in contract, tort, negligence, detrimental reliance, equity, statutorily, or otherwise, and even if a centre party has been advised of the possibility of such potential liability, in any connection with your reliance on, use of, inability to use this network, or in connection with your downloading of any materials, text, data, images, video or audio through this network, including anything caused by any transmission defects, viruses, bugs, worms, destructive features, human action or inaction of any computer system, phone line, hardware, software or program malfunctions, or any other errors, failures or delays in computer transmissions or network connections.

You hereby agree to irrevocably release the centre and the centre parties from all such liability, and you waive all rights with respect to any claim and compensation in connection therewith.
